Privacy Policy or legal notes

General

FREZZA SPA has developed the following Internet Privacy Policy to conform its activity to the ones of trustworthy organizations that ensure, maintain and respect the Visitor's privacy rights in online environments.

FREZZA SPA is the controller of any personal data that could be collected through this website in accordance with what has been defined in the GDPR 679/2016 European Regulation. The controller will process all data collected through this website (www.frezza.com) for the following purposes and following the below specified procedures.

Personal data collection and data treatment purposes

FREZZA SPA will collect and process only personal data supplied voluntarily by online Visitors. Visitors can browse on the website without revealing information and personal data. Each website Visitor can choose to supply limited personal data to FREZZA SPA in order to obtain information on our services. Once registered, all personal data collected will be solely used for the indicated services.

Website visitors can supply their personal data to:

- Subscribe to our newsletter
- Receive information on our products and dealers
- Be contacted by our company

Communication to a Third Party

Personal data supplied by you won't be object of diffusion to third parties.

Personal data supplied could be communicated to central Public Organizations or local Web-marketing professionals in order to manage your requests and for the fulfillment of possible law duties. If you need more information on which subjects could receive your data, we ask you to contact us at the following email address info@frezza.com.

Sensitive personal data

FREZZA SPA doesn't deliberately collect through the website sensitive personal data as, for example, ones that are able to reveal the state of someone's health.

Sensitive data, in accordance with art.4 and 9 of the GDPR 679/2016 European, include information that can reveal ethnic and racial origins, religious, philosophic and other kinds of personal beliefs, political opinions, membership to political parties, trade unions, associations or religious, philosophic or trade union organizations, as well as data that can reveal personal state of health and sexual life. Judicial data, in accordance with Article 4 and 10 of the GDPR 679/2016 European Regulation, include information that can reveal measures, referred to in Article 3, comma 1, letters *a* to *o*, *r* to *u*, of the D.P.R. of 14 November 2002, number 313, on the subject of criminal records, the register of administrative sanctions depending on the

offense and the related pending charges, or the status of defendant or suspect under articles 60 and 61 of the criminal procedure. We recommend not to provide this type of information via the website. If this information should be required we invite you to write to us via email expressing your consent to process this sensitive data.

Links to third-party sites

Please note that www.frezza.com might contain links to other websites that are not governed by this privacy policy.

Data storage

Visitor's Information and personal data collected by this website, including data deliberately supplied by writing in the website's form in order to receive informative material or other notifications, will be stored solely to supply the requested service and for the necessary amount of time. Once the service is completed, all personal data will be eliminated, transformed in anonymous form or destroyed in accordance with FREZZA SPA's data storage policy, with what has been established in the present "Use of the www.frezza.com website in relation to specific sections" policy or following your explicit request.

Exercise of the individual's rights

In accordance with art.15 of the GDPR 679/2016 European Regulation, all individuals can verify their personal data supplied through the website and eventually have it corrected, updated or cancelled at any time; they can also exercise other rights recognized by Law by writing or contacting the controller at the following email address info@frezza.com

Personal data protection

FREZZA SPA protects personal data by applying internationally recognized security levels and security procedures that protect data from:

- o Unauthorized access
- o Inappropriate use or disclosure
- o Unauthorized modifications
- o Loss or destruction of data, both accidental or caused by an illegal act

Use of the www.frezza.com website

The www.frezza.com website collects personal data related to web access to the website through the application of cookies and traffic data traceability and through the types of browsers or computers used in association with the Visitor's IP address. This information is used for statistic surveys, which are general and anonymous. Additional details are indicated in our cookie policy that can be found in our website footer.

We hereby give you some details regarding some of the specific sections that can be found on our portal:

Contact request section

The request section dedicated to our products, dealers and general information offers the possibility to ask details on our products. If you decide to send us your personal data, they will be processed exclusively for this purpose by a designated team and following normal internal procedures in accordance with what has been mentioned in the document contained in the same section.

Reserved area section

The reserved area section of our internet website offers the possibility to view our price lists, catalogues, pictures of products, CAD library, product certificates, technical sheets, assembling instructions and references. Your personal data will be processed exclusively in order to manage your access to the reserved area by a designated team and following normal internal procedures in accordance with what has been mentioned in the document contained in the same section

“JOBS – WORK WITH US” section

The “JOBS – WORK WITH US” section of this website offers the possibility to express interest in working with our company, by replying to a job advertisement for new positions or vacant ones. If you decide to send your personal details they will be exclusively processed for these purposes by our designated team and following FREZZA’s normal internal employee management procedures.

Newsletter subscription

If the www.frezza.com website user decides to register to our newsletter, he will have to supply his personal details (for example email address, etc.) through the compilation of a form that can be found in the *newsletter* section. Data will be then collected and processed for the sending of the newsletter, as indicated in the document contained in the registration service page.

Minors aged 16 and 18

The www.frezza.com website, disciplined by the present privacy policy, is not designed to be used by minors aged 16 and 18. We understand the importance of protecting minors from information they can access, especially in online environments, and we therefore do not deliberately collect or store personal data related to minors.
