

TECHNICAL DETAILS

unibody swivel, made of flexible, cold-foamed, fire-retardant polyurethane with tubular steel frame. Upholstery in fabric, eco-leather or leather. Plywood seat cushion, padded and upholstered. Available in plain colour or two-colour combination.

device harmonic tilting: tilting angles 7° backwards, 4° forwards. Seat starting position 3° forwards. This device is designed to tilt the chair slightly for a pleasant feel. The right lever adjusts the height of the seat.

device automatic return: rotation 180° rh - 180° lh. This system returns the chair automatically to the initial position. It can only be combined with a fixed base.

height adjustment by gas lift. Allows an excursion of 12 cm.

- base**
- 5-star die-cast aluminium base with self-locking, dual-tread rubbered swivel castors (Ø 60 mm for the polished base, Ø 65 mm for the black painted base), or with glides. Available in polished aluminium or black aluminium.
 - 4-spoke base in polished aluminium.
 - 4-leg frame in solid wood painted natural oak.
