unibody in polypropylene with armrests. The unibody is available in 5 different colours, of which the Earth L1M2 colour version is made of a totally environmentally sustainable and 100% recycled polypropylene. The Cream L7M1 unibody has an additional plus: in addition to its 70% recycled polypropylene, it is also fire-retardant. An upholstered cushion can be applied to the unibody.

device automatic return device with 180° right – 180° left rotation. This system returns the chair automatically to the initial position. Can only be combined with base on glides.
